# Gratitude Report

**Gratitude is the music of the heart  
when its chords are swept by the  
breeze of kindness**

Dear Friends of Clelian Heights,

Although I have only been at Clelian Heights for 3 months, it is very evident to me that you, our friends and benefactors, are at the heart of the Clelian Heights family. I look forward to my first BBQ in the fall and while I have not personally met many of you yet, I feel as if I know you already through the notes, phone calls, and Christmas cards that have arrived here over the last few months. Your Christmas donations, United Way gifts and response to the Christmas Appeal were especially appreciated. It is a joy for me to be here and I am looking forward to meeting all of you and growing each day in my knowledge and understanding of all that is Clelian Heights.

As we present our Annual Report to you, we do so from hearts filled with gratitude and appreciation for all that you have done for us over the past year. The numbers speak for themselves but numbers do not tell the entire story of what this year has been for us. As I reviewed the beautiful photos that accompany this report that tell the story of the past months, I realized more profoundly than ever that your generous gifts have brought joy to so many and have enriched the lives of all those who call Clelian Heights their home. No matter how big or small your gifts to us have been, they are a reflection of your desire to be part of the mission here at Clelian, your desire to make a difference in the lives of people who sometimes are overlooked in the hectic, face-paced society in which we live. Our students and adults see and live life from a different perspective and they, and we who care for them daily, are deeply grateful that you recognize that difference and do so much to support our programs and activities.

We invite you to review our Annual Report carefully because the information you find in it tells one important part of the story of Clelian Heights. We invite you to enjoy the pictures that accompany the report which present another part of the story. And, most of all, we hope that this Annual Report reminds you that whether you are contributing from near or far, you are a most important part of the daily story that is Clelian Heights.

Your generosity is living proof that we all are connected to each other, that we all are responsible for each other and that each of us recognizes in the faces of those around us a brother or sister who is infinitely precious, infinitely valuable. Thank you for sharing in our story and for giving us the means to write the next chapter of the story that is Clelian Heights.

May the Sacred Heart of Jesus continue to bless each of you and your families abundantly. We assure you of our prayers for you each time we gather at Eucharist, the perfect expression of gratitude.

Sincerely,

Sister Deborah Lopez, ASCJ  
Executive Director
