Heights REPORT

Clelian Heights Gratitude Report 2017-2018

Dear Friends of Clelian Heights,

We are pleased to present our 2017-2018 Annual Gratitude Report to you. We are so appreciative of all that you have done to make this year financially successful for us; more than that, we are grateful for your friendship and for the prayers, thoughts and good wishes that accompany your generous donations. We are well aware that you have choices when you have the opportunity to give, and we are so pleased that you continue to think of us when you make those choices. No matter how great or small your gifts to us have been, they are a reflection of your desire to be part of the mission here at Clelian Heights and your desire to assist our students and adults as they thrive in the programs we have designed for them. The growth and progress we are privileged to witness each day demonstrate the tremendous efforts made to master tasks that may seem easy to some but reflect so much concentrated thought and attention that many of us might not be able to sustain. We are deeply grateful that, because of your support, we are able to challenge each of our precious charges and to provide the staff, equipment and materials that are needed to foster growth and progress in each individual.

We invite you to review our Annual Report carefully; the facts and figures tell one part of the story that is Clelian Heights. Look carefully at the beautiful pictures that tell the other part of our story, the part that illustrates the pride, happiness and enthusiasm with which our students and clients tackle each task, each day. Without your assistance, none of what you see would be possible!

Your generosity is living proof that we are all connected, all part of each other's story and all responsible for each other. Thank you for sharing in our daily lives, for sharing in all that we accomplish here each day, for caring for those who are often overlooked or underestimated by society. In this year when we are celebrating the Beatification of our Foundress, Mother Clelia Merloni, for whom Clelian Heights is named, be assured of our special prayers for you and for your families. May she, who had a deep love for the poor and the marginalized, bless you and draw you ever closer to the Sacred Heart of Jesus, the source of our strength and compassion.

Sincerely,
Sister Deborah Lopez, ASCJ
Executive Director

Your gifts have given us so many opportunities to learn and grow. We are very grateful!
