Dear Friends,
You have made our 50th year a truly memorable one! Thank you! The outpouring of support we have received has been a blessing. Through the grace of God, our once humble mission has grown as our campus has expanded and our programming has increased to meet the present needs of our ever growing population. The caring, love, and sense of community have grown as well among our staff and the children and the adults we serve. You have bestowed upon us a vast array of gifts including support of our appeals, volunteering of time, donation of material goods and other contributions so generously given; all of which have made Clelian Heights the wonderful place it is today!

We look forward to the future and what the Lord has in store for us. We are ready to mold ourselves to best suit the needs of the special and truly blessed individuals that are learning and growing in independence every day under our care.

You are invited to continue to be a part of this exciting time as we look to the future and craft a vision. “We must do everything in the best way possible”; these words spoken by Mother Clelia, our foundress, inspire us to move forward with prayerful hearts. Your friendship is proof that our prayers are being answered daily.

You, your families and all your special intentions are kept in the many prayers of the Sisters, children, adults, and staff at Clelian Heights. God’s love and ours!

Gratefully,

A Message from the Executive Director
