Clelian Heights Gratitude Report 2018-2019

Dear Friends of Clelian Heights,

We are pleased to present our 2018-2019 Annual Gratitude Report to you. We are so appreciative of all that you have done to make this year financially successful for us; more than that, we are grateful for your friendship and for the prayers, thoughts and good wishes that accompany your generous donations. We are well aware that you have choices when you have the opportunity to give, and we are so pleased that you continue to think of us when you make those choices. No matter how great or small your gifts to us have been, they are a reflection of your desire to be part of the mission here at Clelian Heights and your desire to assist our students and adults as they thrive in the programs we have designed for them. The growth and progress we are privileged to witness each day demonstrate the tremendous efforts made to master tasks that may seem easy to some but reflect so much concentrated thought and attention that many of us might not be able to sustain. We are deeply grateful that, because of your support, we are able to challenge each of our precious charges and to provide the staff, equipment and materials that are needed to foster growth and progress in each individual.

Look carefully at the beautiful pictures that tell our story, the part that illustrates the pride, happiness and enthusiasm with which our students and clients tackle each task, each day. Without your assistance, none of what you see would be possible!

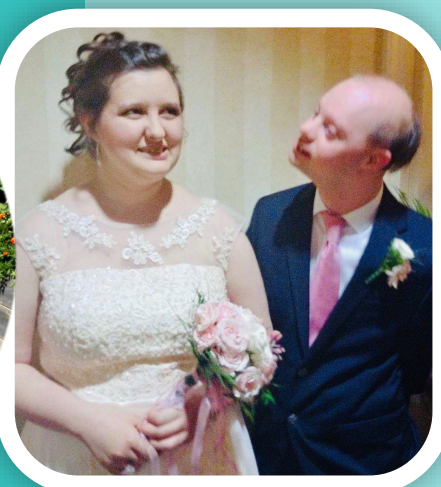

Your generosity is living proof that we are all connected, all part of each other's story and all responsible for each other. Thank you for sharing in our daily lives, for sharing in all that we accomplish here each day, for caring for those who are often overlooked or underestimated by society. Be assured of our special prayers for you and for your families.

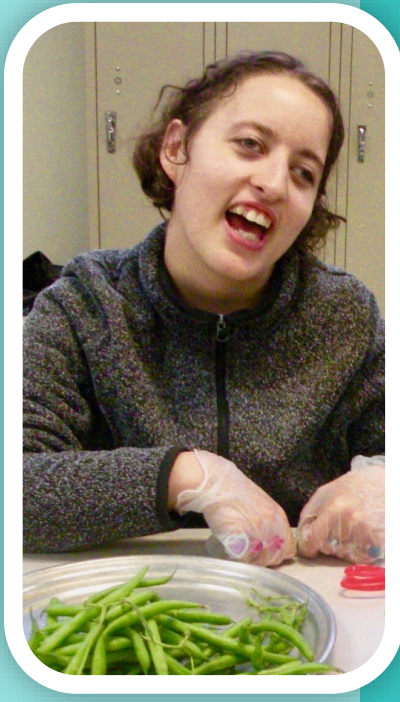

Sincerely,

Sr. Deborah Lopez Ascj

Sister Deborah Lopez, ASCJ
Executive Director

We start each day with a grateful heart because you have shown us such generosity and kindness.

Thank you for giving to Clelian Heights.

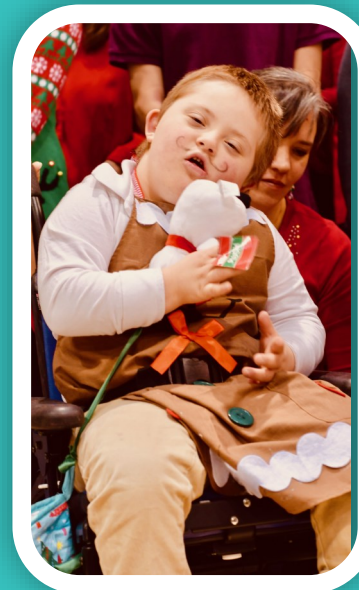

Gratitude is a expression of love—it is a gift of appreciation for gifts given, gifts received. It is expansive in its effect and its reach. It is about cherished acts of kindness and generosity.

In the pages that follow are smiling faces filled with love and appreciation. They are accompanied by words of gratitude returned—expressions of grateful love for Clelian Heights.

Both tell the story of the expansiveness of giving, the joy and spirit that love and gratitude bring when they are shared. Here is this two-fold expression of love!

“Thank you for inviting me to Clelian Heights. I was so impressed and touched by the children—their smiling faces, their effort and abilities, their enthusiasm. Your staff is truly special as you bring out the children’s confidence, hope and happiness. Warmest regards for a blessed future!”

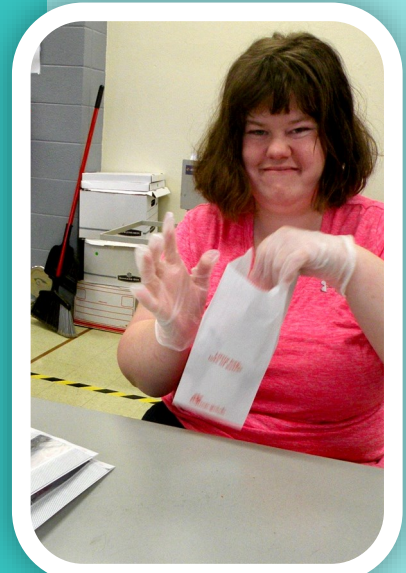

"Once again, I find myself eternally grateful for the opportunity to come and volunteer at Clelian Heights. I consider myself blessed to be able to share in your awe-some community. The ministries you provide are life-changing and life-giving. I look forward to visiting again-if you'll have me! Much love."

"I visited and witnessed friendship and caring hearts and wonderful enthusiasm to help others in need and make them smile!"

"This has been the most meaningful experience of what love really means. Thank you!"

"I am forever grateful for the wonderful training you gave our daughter who is living with one of her sisters and is employed at two places. We're so proud of her. Thanks again and again."

“Thank you for allowing me to be a part of your program. It was an amazing and life changing opportunity.”

“I made memories that will last a lifetime. I’ll always remember the amazing people I met and all of their smiles!”

“Thank you for the fine work you do.”

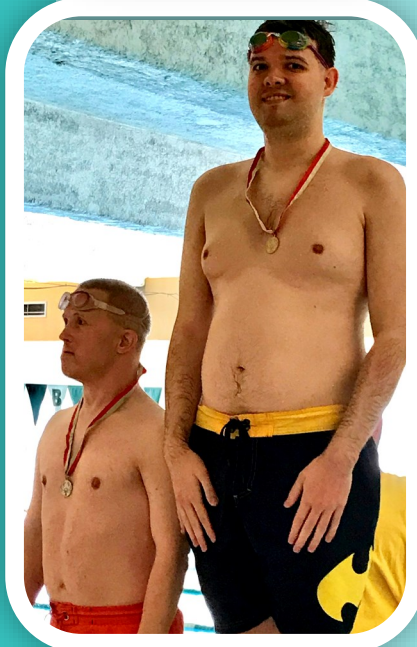

“I am forever grateful for the wonderful training you gave our daughter who is living with one of her sisters and is employed at two places. We’re so proud of her. Thanks again and again.”

“Thank you so much for a wonderful experience that I will always remember.”

“Your heart is very giving and mine is very grateful—My brother was only 9 years old when he came to Clelian. He was there for over 47 years. When I came the first time, I remember just the little house—that was all. Then years later the “circle school” that is how I remembered it. Boy, when I came down later—all the sophisticated changes—rooms for therapy classes, smart boards, and so much more. All these wonderful things done for so many children! I would like to thank you all for giving my brother a wonderful life here at Clelian! My heart is forever grateful! Thank you from the bottom of my heart.”

“My son attended your school—two of the best years of his life. God has called him home and I pray that your wonderful work continues.”

"My daughter attended Clelian heights 50 years ago. She still remembers her days and her teachers. Thank you for all those happy memories!"

"My son attended Clelian Heights from 1968 to 1978. He lived in residence during the week and came home on weekends. Those were formative years filled with good memories. Today, my son lives in a group home and comes home every weekend. He has made us proud with his kindness, his love, his enduring efforts to do his best. Thank you for lifting him up and helping to mold him into the person he is today."

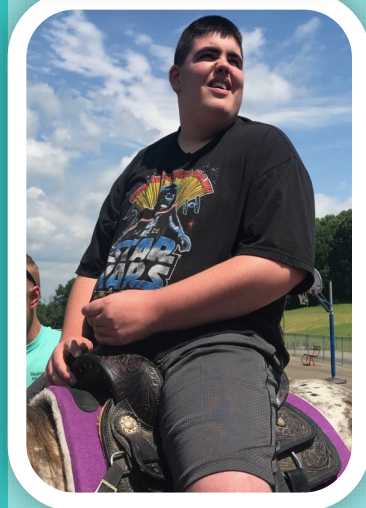

"My grandson goes to your school. What a wonderful school. Thank you!"

"This is a grace-filled place where love and beauty are tangible. From the stunning sunsets to the joy and energy of the students and clients—I have been overwhelmed with the amount of times I have seen the face of Christ! What a perspective I have gained! I leave a part of my heart here!"

"We are always hearing from our dear friends about so many great things you do at the School. God bless you all."

"Please know that I appreciate everything that all of you do to make my sister's life a happy and full one. She loves each and every one of you, as I know you love her. This is such a wonderful blessing for both of us! Thank you."

"My son has learned so much at Clelian and has been given opportunities that never expected him to have. In addition, it's improved the quality of life for our entire family because my husband and I have such a level of comfort with our son attending Clelian Heights that I don't think I would have if he were in a different school. As a mother that is very important to me. I always say that I put him on the bus in the morning and I don't worry about him because I'm sending him to the nurturing environment of Clelian. Just the loving and caring environment of Clelian has suited him so well. I feel a sense of peace when I enter there, and I know he does too."
