### CLELIAN HEIGHTS Annual Donor Gratitude Report

*Apostles of the Sacred Heart of Jesus*  
MARY, QUEEN OF APOSTLES PROVINCE

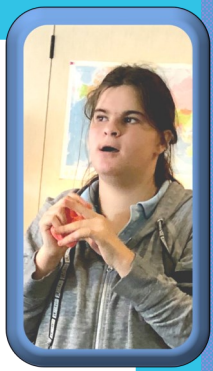

Dear Friends of Clelian Heights,

Once again, we are presenting our Annual Report to you, our friends and collaborators in the mission at Clelian Heights. This year has continued to present daily challenges to all of us and I am happy to tell you that our staff, students and adults have successfully risen to every challenge with creativity, enthusiasm and lots of hard work!! We have all become very flexible in our approach to the constantly changing reality of daily life and I am proud to say that all our efforts have made us stronger, more resilient and more patient with ourselves and with the world around us! And, behind all of our on-site efforts, are **all of YOU** who have continued to support us so generously even during these days of uncertainty and economic hardship. **YOU matter to us** not only for your help in continuing the many programs and activities that make Clelian Heights such a special place, but also, and more importantly, **YOU matter to us** for your friendship, for your loyalty to us, for your prayers for us and for your kind and compassionate hearts that continue to support our work here. God has blessed us in so many ways and, most of all, **He has blessed us with YOU!**

As you look through the Annual Report, be sure enjoy the pictures of our wonderful students and adults. Their faces, their smiles behind the masks, tell the real story of Clelian Heights. It is so important to us to educate all of our students and adults so that they can have happy, productive lives and be proud of themselves and all that they accomplish. Your continued generosity tells us that this also is your hope, that you want to be part of the process, part of the journey, that each one here at Clelian Heights is making. Tasks that seem simple to many of us often present real challenges for our wonderful people and you can see that here challenges can and do turn into opportunities for growth, for the development of skills, and, most of all, that whatever challenges do come along can be overcome in a comfortable, safe, nurturing environment where each person is respected for who he/she is. We are so grateful that you continue to walk with us and to remain such an integral part of our daily lives.

Know that we never forget YOU and all you do for us. **YOU matter to us** in ways big and small and we are most grateful that you think of us and choose to assist us in good times and in difficult times as well. Know that our thoughts and prayers are with you and your families as we all continue to navigate the ups and downs of life that Covid has impacted. May God bless you with good health, with the joys of sharing days with family and friends, and with the knowledge that we here at Clelian Heights consider you now and always a part of our family.

In the Sacred Heart of Jesus,  
*Sister Deborah Lopez, ASCA*

Thank you for sharing your giving heart with us ...

## YES, YOU MATTER A GREAT DEAL TO US! WE ARE SO VERY GRATEFUL!

Through the challenges of the past two years, with your HELP Clelian Heights' children and adults are thriving. And you've proven how wonderfully faithful you can be to rise with us through any challenge and not lose hope.

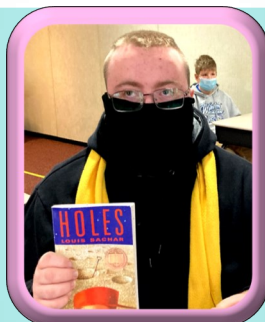

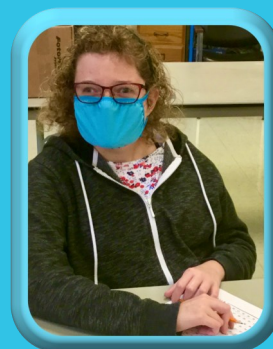

You have shown so much interest and concern for those most vulnerable that you light the way to a brighter future for them.

You have helped us deal with issues like Covid safety protocols, mobility restrictions, distance learning and Zoom setup, computer and iPad capabilities and end-of-life issues, technology upgrades and internet snafus, power outages and housekeeping and maintenance adjustments, temperature checks and mask wearing, Covid vaccinations and testing, and change upon change.

Yes, you have given your help in many ways. Your generosity has made available extra therapy hours, safer classroom equipment and materials, internet access, new iPads, new connectivity, new computers. You have helped with the repair and replacement of facility needs. From a distance, you have been involved in the daily workings of Clelian Heights campus!

THANK YOU for your giving hearts, for your LOVE, your WISDOM, your GENEROSITY, your KINDNESS, your UNDERSTANDING, your SINCERITY, your SPIRIT, your TENDER LOVING CARE, your COMPASSION, your DEDICATION, your FRIENDSHIP, and so much more!

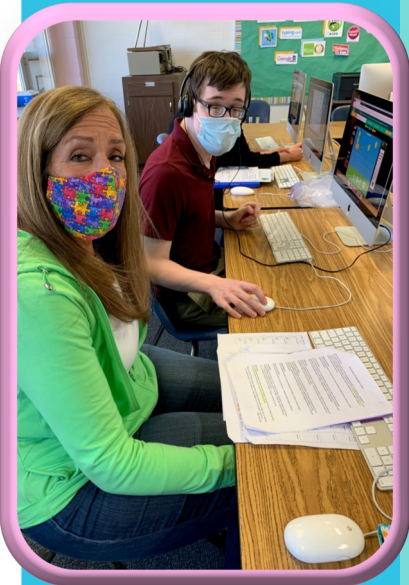

Thank you, you are true friends and you matter a great deal to us! You are a part of our Clelian family!

## Donor Advised Funds—DAFs

Have you heard about **Donor Advised Funds**, also known as **DAFs**? Many donors are setting up **DAFs**, allowing them to make charitable gifts to nonprofit organizations. A **DAF** is essentially your “giving account” established with a public charity, allowing you to receive an immediate tax deduction and to recommend grants (charitable donations) from the fund.

### How does it work?

- First, you open an account with a financial institution that has a **DAF program** (such as Fidelity or Charles Schwab). You may contribute cash, appreciated assets or investments.
- Second, invest your assets with the help of your investment provider.
- Third, recommend grants to a recognized 501(c)3 charitable organization, such as *Clelian Heights School*

### Why is a DAF a good idea?

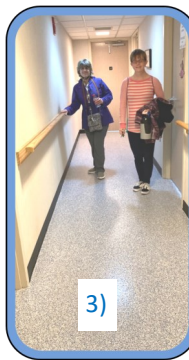

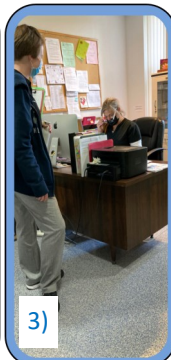

Having a **Donor Advised Fund** allows you to be intentional about your charitable giving. The money is already set aside for the purpose of giving it away and making a difference in the lives of others.

Thank you for the generous support you already share with Clelian Heights. When you make a gift to us, you directly impact the lives of children and adults with developmental disabilities and their families now, and in the future.
