

Clelian Heights School

Clelian Heights School responds to the whole student — mind, body, and spirit — in a caring and compassionate environment.

Clelian Heights is a Private Academic School licensed through the PA Department of Education. Clelian Heights School...

- is designed for a variety of intellectual and/or developmental disabilities including the range of the autism spectrum
- is for those ages 5-21
- develops Individual Education Plans (IEP) that stress the strengthening of academic and vocational skills
- has Individual and small group instruction to bring about intended changes
- stresses social, vocational, and independent living skills training to maximize students' potential for independence

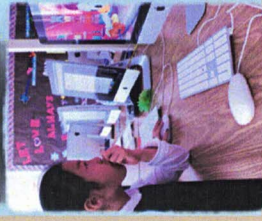

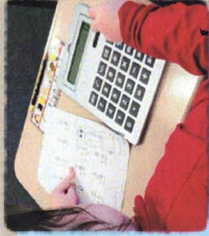

Clelian Heights incorporates three effective instructional interventions:

Intuitive Multi-Sensory, Direct Instruction, and Verbal Behavior

The teachers and aides have been specially trained in these interventions.

Curriculum

- Language Arts
- Reading
- Mathematics
- Independent Living Skills
- Community-Based Instruction
- Learning Through Technology
- Physical Education
- Science and Social Studies
