December 1, 2020

We are excited to share with you the events happening at Clelian Heights!

Click the button at the bottom to visit our website for more information.

### It's the Holiday Season

We hope that you all had a Happy Thanksgiving. Even in these times, we have much to be thankful for, our families, friends, and all that we have is all the more precious. Our Clelian family has grown together and we are thankful for our ability to work together to keep everyone safe at school and at home. As we move into the next portion of the school year, we must remain vigilant to social distancing, cleaning and mask wearing to keep our community safe.

The Christmas Season is here and our Christmas production this year will be held virtually. Each room is working diligently to film their unique performances. A video of these performances will go live on December 18, 2020. They have already started practicing to give us a great show.

## Mock Elections in Room 106

Room 106 held an election in their classroom. The Presidential candidates debated and discussed, "promises" to the people. Students learned about the voting system and made their own voter registration cards. Students and staff cast their ballots. Team Cobra won the election!

## November 20 - The Feast Day of Blessed Mother Clelia Merloni

We celebrated the Feast Day of Blessed Mother Clelia Merloni, on November 20, 2020. Blessed Clelia was the foundress of the Apostles of the Sacred Heart of Jesus, the order of Sisters that founded and run Clelian Heights School for Exceptional Children,

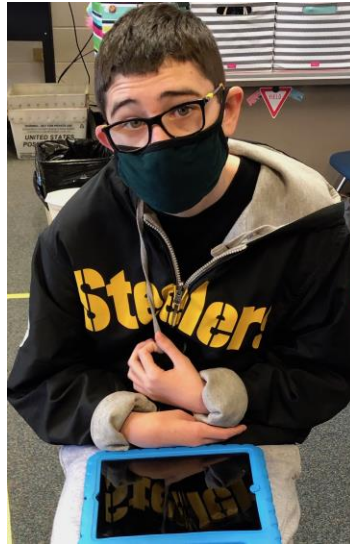

Mother Clelia was Beatified on November 3, 2018 by Pope Francis and given her own "Feast Day" on the Church Calendar. The day when we celebrate the great sacrifices made by Mother Clelia and the works of charity, forgiveness, and kindness she showed to everyone in her life.

## Here We Go Steelers!

Clelian Heights School students and staff showed their support for the currently undefeated Steelers!

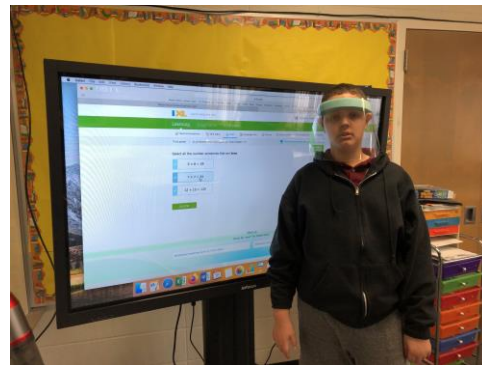

## Clelian Heights at Play

Due to a generous donation, Clelian Heights was able to install a new indoor play area for our younger school students. Currently, the equipment is being used individually by students during therapy sessions with our therapists. The equipment is thoroughly sanitized between users following our cleaning protocols.

## Clelian Heights at Work

At Clelian, we value the balance between work and play for our students. When in the classroom, our students are working on a variety of tasks all geared toward meeting their individual goals. Every minute at Clelian, at work or at play, is a chance for growth, creativity, and learning!
