Happy to be with friends!

Our students and staff are caught up in learning, creating, and doing. Classes in functional academics, communication, independent living and transition-to-work continue to hold their attention and Zoom sessions are also included! Enjoying the time with friends, being with caring staff, and anticipating a brighter future bring smiling moments of success for all the

children while dedicated, committed staff members are the foundation of their achievements.

SENIOR PROJECT VIA ZOOM

Below, a Greensburg Salem High School student is doing her *Senior Project* at Clelian Heights via Zoom art lessons. In her Art Clinic class she is integrating three therapies as part of her learning approach with the students--Physical Therapy, Occupational Therapy, and Speech Therapy.

Easter will soon be here along with the beautiful days of spring breezes, breath-taking blossoms, garden prep, and outdoor activities and our students are looking forward to enjoying all of it! Joyous Easter and Happy Spring!
