Clelian in October

At the end of the month, our classrooms hosted in-room Halloween celebrations with socially distanced activities and fun. We held a school wide Zoom meeting so that all of the rooms were able to see and experience the festivities as a community. Even in these unprecedented times, our community finds a way to be together. Enjoy these photos of the event!

As we adjust and adhere to the new and changing COVID-19 safety information from the Department of Health and the surrounding counties we are grateful for your support. During these uncertain times, we are ready to do whatever we need to ensure our students continue to achieve their personal objectives!

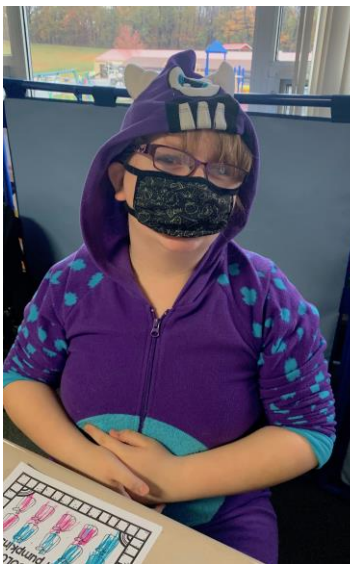

With Thanksgiving and the holiday season approaching, we want to wish all of you a safe and Blessed Thanksgiving.

Our annual Christmas program will change this year. Instead of an open house and entertainment by all the children, each homeroom will film their portion of the program in socially distanced and safe settings, and the clips will be rendered into a full video of this year's program. It will go live December 18th, 2020. Practice has already started!

Clelian Halloween Parties

Clelian Heights classrooms had individual Halloween parties for their students and staff. Students were able to dress up and show off their costumes in a school wide Zoom meeting between all of the classes. Everyone was able to have fun together as a school in a safe and socially distanced way! Take a look at our great costumes and fun!
