

Exceptional

At Clelian Heights there are programs for every age. Our school provides functional academics, communication & independent living skills, transition-to-work training and an ESY program. Our adult services at the Clelian Center offer job training, employment, ATF and summer services.

Programs

While offering our students and adults education and employment opportunities, our programs do not stop there. We have active athletic teams and participate in Community events, the Special Olympics, dances and activities on and off campus. The Clelian Center sponsors an annual Christmas dinner dance and the school, an annual prom.

Exceptional

Place

Clelian Heights School for Exceptional Children is a very special place. It opened its doors in 1961, when four sisters, the Apostles of the Sacred Heart of Jesus, welcomed four students to the 39-acre site. Today, 60+ students and 90+ adults are a part of the community at Clelian Heights.

For more than 58 years Clelian Heights has been building young lives. Our school and Clelian Center vocational services prepare children and adults with intellectual disabilities for the challenges of life. Our goal is to help each of our students lead productive, happy lives to the fullest extent of their ability.
