Welcome Back!

The leaves are changing, the air is cooling and the clients are back! It's the start of another action packed and fun year at the Clelian Center.

There are new faces and new places. We would like to welcome Brittnee DiAngelo, Amanda Fabray, and...

Meet the Staff

This year's staff is excited and ready to get the year started! After a great summer, we have assembled the strongest and most talented staff yet! Here's a chance to get familiar with their names!

Soap , Candy and Dog Biscuits

This year is the start of exciting new programs and products!

The Clelian Center Annex is busy this year with the production of soap, candy and dog biscuits.

Our ever popular *Captain and Sandy* dog biscuits are back and better than ever! Mary Jean has her helpful workers back working hard on these delicious doggy delicacies.

With the addition of *Clelian Scentsations* there are beautiful scents throughout the building. These new shea butter and aloe glycerin soaps are not only great for

Summer Fun!!!

This summer, there was a ton of fun and work to be had at the Clelian Center!

The summer was full of picnics, trips and goodies!

Some of our fun picnics and themes were Under the Sea, Independence Day, Luau and Down on the Farm.

We also enjoyed our annual outing to Kennywood! With the generosity of the Sons and Daughters of Italy, we were able to attend and have a great time.

This has become a favorite among clients and staff alike. A chance to let our hair down and have a great day of games, rides, food and sun!

Just as a Reminder!

Each Wednesday is Swim Day in Clelian Center. Please make sure bathing suits are among the items brought in. We can wash them and keep them here for next week

Kleenex is always needed. Please include a box for use here in the Center.

Day workers need a spare set of clothes on hand in case of emergencies, they can remain in their lockers until needed

Names on sweaters, hats, and jackets would help prevent an increase of clothing items in our lost and found

Jason Muller

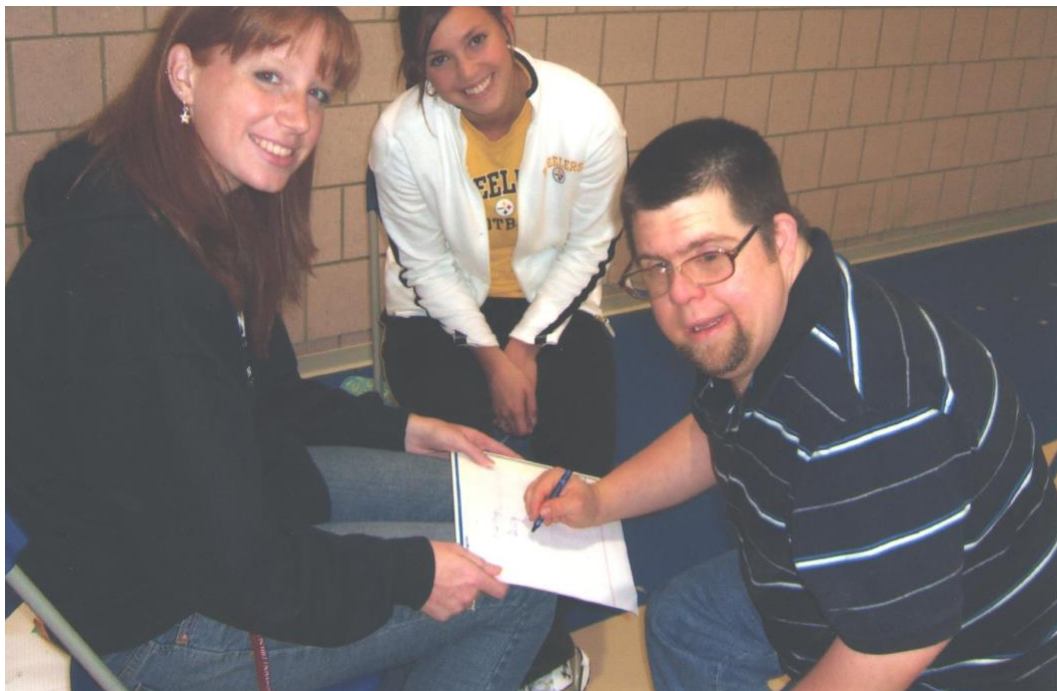

This Summer, Clelian Heights lost a good friend. Jason Muller went to be with the Lord on July 22nd at the age of 33. He was born on February 9, 1977 in Greensburg. He was a Graduate of the Clelian Heights School and attended the faith and light prayer group each month.

Jason had a way of lighting up a room whenever he entered. Always with a cheerful "Good Morning" and a smile. An Avid NASCAR fan, Jason was never far from his Jeff Gordon jacket and hat. Equally inseparable were his headphones and CD player. Jason loved music and loved to sing. Always in the front row eagerly awaiting music or leading the petitions in church with his unique "We pray to the Loooooord". Jason loved country music most of all.

Jason was an extremely hard worker, never one to be deterred, he would often have to be persuaded to stop working and exit the building even during a fire drill.

Jason was well loved by his Chip's House buddies and would often goof around with them, but always in a good nature.

Jason will sadly be missed but never forgotten. His spirit will forever be with us all.

*Jason loved working
with volunteers, music
and NASCAR.*

A Family Affair

Did you know...

Clelian Center has 75 men and women whose ages range from 21-64?

Clelian Center has been in operation for 32 years?

Clelian Center recycles aluminum cans, paper and provides shredding?

(For information on Shredding Jobs please contact the Center)

News and Notes from the ATF

Greetings from the ATF! We are thrilled to start a new year with so many smiling faces! Our goal this year is to work on everyday skills that can be used in the community and at home. We are focusing on money skills, healthy living, shopping, safety skills, and eating out. By sitting down biweekly as a group, we strive to hone our skills with the comfort of being with our peers and our friends.

Going out into the community is always an enjoyable part of the week. We enjoyed new and different field trips this summer including the science center. the
