WINTER 2011

Welcome!

Goodbye!

Comings & Goings!

It's always nice to see new faces in the Clelian Center. In Feb. we welcomed Brendan M. and Bethani B. to our "work force". Brendan, who had been here previously, was happy to be back among his friends. Bethani, too, was happy to see many old friends from her Clairview days.

Also joining us each Monday afternoon, are Morgan and Alli, two music therapist students from Seton Hill University. At each session, they keep our feet tapping and our voices singing... providing lots of enjoyment.

As nice as the comings are, the goings are more difficult. In the beginning of Feb. we said good-bye to Erin E., who moved to Virginia to live with family members. A good worker in all areas, Erin enjoyed her year with us. Not only did her work-skills increase, but she found her love for bowling, be it on the alleys at Export Moose, or the Wii at the Center.

In Feb. we also said good-bye to staff member Scott Karan. His music sessions were the highlight of the week and his artistic creativity flourished in the soap dept. producing the popular selling snowflakes, hearts and Steeler footballs.

To both Erin and Scott we bid goodbye and pray:
"God Be With You"!

WINTER HAPPENINGS!

2011

Getting ready for the big game in the Super Bowl Spirit!

We made our own shirts and terrible towels to cheer them on like loyal supporters!
HERE WE GO STEELERS!
HERE WE GOOOOOOOO..

Licensing

Congratulations to the Workshop and the ATF! The State inspection team once again toured the Clelian Center and found us 100% in compliance with state regulations. We're good to go for another year!

A Luncheon Treat

The annual New Year's luncheon at McDonald's was enjoyed once again by everyone. Because of our many consumers, it took 3 days for all of us to enjoy the treat. We are ever grateful for the kindness and generosity of the McDonald's on Rt. 30 W. What a great way to welcome in a new year!

Shredding

Our shredding machine is hot!! And we are looking for more business to keep our "shredding team" busy. We promise absolute confidentiality and at \$0.10/ lb. it can't be beat.

Please give us a try and tell your friends!

Valentine's Day

A day of thoughtfulness, a day of love! We remembered the retired sisters of Seton Hill and those of Sacred Heart Manor in CT by making and decorating Valentine's cards. It was nice for some of us to be able to deliver them to Caritas Christi at Seton Hill and share warm wishes with the sisters as well as our friends here in the Center.
