Spring 1993

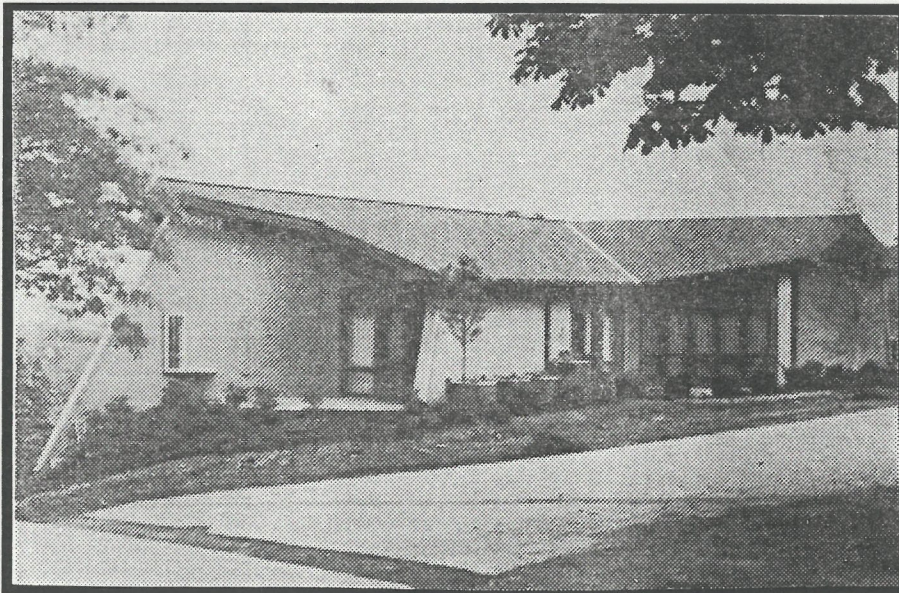

DEDICATION HELD

On May 31st, 1992 Clelian Heights broke ground for phase one of a two phase \$3.6 million expansion. Now, a year later, on May 23, we dedicated two new apartment buildings—residences for adults with disabilities.

Seeing the need to reach out to adults with developmental disabilities, Clelian Heights has extended its services and now, as part of its long-range plans, has begun to expand its facilities so that it can continue to adequately provide for adults with developmental disabilities. The immediate need was to replace the 18-bed women's group residence, the "white house", with two efficiency apartment buildings so that the program

for training in independent living skills could be made more effective. The apartments are designed in such a way that they accommodate the supervision and training needs of those who, up to now, have not had the opportunity for independent living training, while also providing for those ready for more independent living.

As a pledge of continued commitment to the changing needs of persons with disabilities, Clelian Heights initiated a residential (Phase I) and recreational / therapeutic (Phase II) expansion project at its 30th anniversary celebration in November, 1991. It was the beginning of what is to be a three-year special capital campaign effort initiated by the Sisters, the Apostles of the Sacred Heart of Jesus, who operate Clelian Heights. It will culminate, hopefully, with a groundbreaking for Phase II in November 1994 which celebrates the Centennial

year of the Sisters' founding—100 years of service to others by over 1600 women serving the needs of their local communities.

Gifts, pledges, and foundation grants totaling over \$2.6 million have been raised with one million dollars more needed to reach the goal and build the recreation/therapy center which is needed to provide better programing for the changing and challenging needs of children and adults with both learning and physical limitations.

CENTENNIAL CELEBRATION BREATHTAKING

The Sisters at Clelian Heights, the Apostles of the Sacred Heart of Jesus, began the commemoration of their Centennial Year with a Liturgy of Thanksgiving in combination with the Dedication of the new adult residences on May 23.

All who attended the special celebration are saying the same thing: "It was an unforgettable experience. . . There were so many people... Such a happy day!...The liturgy was fantastic... We could have stayed another two hours and listened...The homilist was terrific...So many sisters...The music and singing was outstanding...Thank you for inviting us to celebrate with you...the best I've ever experienced...Profound joy...I cried-it was

so beautiful...Amazing!...It was perfect...the trumpet, the violin, the timpani-wow!...the apartments are beautiful...What a view!...How fortunate they are...How happy they must be...Is there one for me?... Fabulous!...So lovely and so special...That Bishop is so nice...I can't wait to see Phase II...It was so good to see Bishop Connare!

This Centennial celebration is the beginning of a Province-wide year of events and activities commemorating the founding of the Congregation. One century ago, in Italy, Clelia Merloni boldly responded to the devotion of the Sacred Heart unfolding in the Church of her time by founding this religious community. As Clelia envisioned, the call was expressly to serve in diverse forms of charitable works. By this witnessing the Apostle would be able to give a human face to the love of God.

The first Apostles came to the United States in response to the growing needs of the immigrant Church in America. In 1909, the first Provincialate/Novitiate was established in Connecticut. From

this beginning on the East Coast, the Apostles have responded to the needs of 14 dioceses in Connecticut, New York, New Jersey, Rhode Island, Pennsylvania, Florida, Missouri, and California.

Apostles presently carry out their apostolic efforts in Italy, Switzerland, Albania, Brazil, Argentina, Chile and the United States. Apostles in the United States seeking to make the Heart of Christ known and loved in society today, minister in the following areas: education, day-care, health care, legal services, parish and diocesan ministry.

Locally, the Apostles have served in the Diocese of Pittsburgh for 72 years and the Diocese of Greensburg for 32 years. In 1921 they accepted the call to mission in the Pittsburgh Diocese at St. Anthony Village, a newly founded orphanage in Oakmont. In 1953, the sisters worked with the diocese in the conversion of the Village to a Diocesan school for exceptional children and remained there until 1970.

At Our Lady of Loretto, the sisters serve in administration and teaching ministries. Here at Clelian Heights the sisters own and operate the day and residential school for children with developmental disabilities and a residential program and vocational training center for young adults.

This centennial year hopes to commemorate the faith, dedication and service of all Apostles of the Sacred Heart; to celebrate Clelia Merloni's charism alive in the Church; to communicate the Love of the Heart of Christ, and to contemplate more effective ways of making Christ better known, loved and served.

MAY CROWNING

From the most ancient days of the Church the Blessed Virgin has been honored under the title of "God-bearer". The traditional May crowning honors Mary in her dual role as Mother of Jesus and Queen of the Universe.

This year on May 21st Lee Germano, escorted by Clifford Trice, Scott Whalen, and Mark Bartram as crown bearer, crowned Mary. Charlie Tabachek, Kacey Snyder, Ricky Stuver, Randy Miller, Chris Zimmerman, and Rachel Shunk were flower bearers. Acting out the Gospel reading were Courtney Gabos and Debbie Blank. Teacher, Eleanor

Palmer, spoke to us about Mary's gift of love. **Katie McDonough, Heather Price, Mike Kettering, Randy Rose, Michael Kissell, and Lisa Wible** performed the Hail Mary with Sign Language. In crowning the statue of Mary, we acknowledge what God has done for her and for us through her. Leading a decade of the Rosary were: **Holly Schwab, Aaron Graham, Greg Boyle, Heather Cline, Duane Bentz, Becket Stahl, Roger Thompson, George Pauley, Rosario Malvone, C.J. Fabry, and Kristine Bastl.**

The procession, the flowers, the scriptures, our words and our songs were the outward expression of our love for Mary, our Queen and our Mother. As we proclaimed Mary as blest among women, we prayed that She who is exalted in heaven will intercede with her son Jesus for us. You too, along with your intentions, were in our prayers as we asked for the grace to better know and love Jesus in one another.

WE HAVE MUCH TO BE GRATEFUL FOR...

THANK YOU KNIGHTS!

Our grounds get choice treatment from some very special members of the Greensburg K of C. Each Wednesday **Chuck Newhouse, Joe Henderson, John Bidese, Jim DeFloria, Jim Moschetti, and John Svetkobich** use their talents to beautify Clelian Heights. **Steve Harenchar and Chuck Quiggle** are seen here on the third Saturday of each month helping with an indoor job.

Each year the Greensburg Knights of Columbus turn the inner court and the playground into an egg field and our children anticipate Easter by enjoying the thrill of their own Easter Egg Hunt in which all are very successful in finding many eggs and even winning prizes! This year the magic day was April 5th and we are very grateful for

the kindness and generosity of our friends, the Knights of Greensburg!

OUR '93 MARATHON WAS GREAT, THANK YOU!

This year's Marathon was held here at Clelian Heights and it was a wonderful day. The sun was shining, but the breeze was cool; the walking path was busy enough all day to be motivated by fellow walkers, but not crowded so as to discourage pace setting; water was plentiful; the bar-b-que hot dogs and cold drinks hit the spot and many miles were covered in those five hours.

Our goal was \$25,000. We have reached \$20,000 and are still waiting for some returns. If you sponsored a walker but haven't yet sent in your donation, please do so soon. Many friends walked/ran over 26 miles in the five-hour marathon!

We take this opportunity to thank all of you for your support of our marathon participants.

THANK YOU F.O.C.H.O. !

Our third annual Pasta Dinner was a big success. And we owe that to a number of people:

- The many parents who volunteered their help before, during and after the dinner...you were wonderful! !
- All those who brought in donations.
- Sr. Ernestine's organization of the project.
- Publicity on the radio, local papers and church bulletins.
- The many pre-sale dinners obtained by the parents.
- The wonderful Italian music played by accordionist John Laezza.
- The cooperation of our parents in inviting and transporting relatives, neighbors and friends.

In the name of the F.O.C.H.O. executive board and the staff of Clelian Heights, we extend a very special thanks to everyone who helped in any way to make this event such a great success! We received much positive feedback from those who enjoyed the dinner.

Special thanks to the members of F.O.C.H.O. for their \$9,000.00 contribution toward operating expenses. This contribution was made possible by the fund-raising efforts of the Gift-Wrap Booth at Christmas and the Annual Pasta Dinner in May.

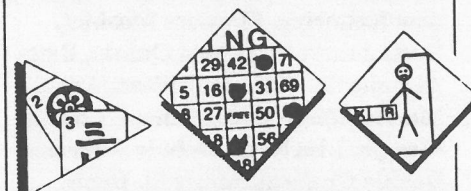

THANKS FOR YOUR EFFORTS...

This year's Giant Eagle Computer campaign is over. We are very grateful for all your efforts in helping us collect enough receipts to receive an additional Apple IIe computer and monitor and another Echo II speech synthesizer. God bless all of you—the computers are a wonderful aid to learning and each year more and more software for special needs students is becoming available.

We have redeemed our soup labels for four new much-needed gym mats and an assortment of gym balls. Thank you for all your support and time spend in saving labels. It has paid off! Please continue saving...unlike the Giant Eagle program, there is no cutoff date, so we can save year 'round and redeem all we receive.

SETON HILL GAME-A-THON

On February 3rd Seton Hill Campus Ministry sponsored a Game-a-thon at Seton Hill College to benefit Clelian

Heights. Our young adults attended and had a great time. The Game-a-thon, lasting from 6 p.m. to midnight, brought in funds to purchase stabilizer wheels for our 20" bicycles enabling older children and young adults on campus, who can't balance a two-wheeler, the fun and enjoyment of cycling!

On April 21st, just for the fun of it, members of Seton Hill Communications class came to Clelian Heights and had a game-a-thon for the children.

VOLUNTEERS APPRECIATED

Making Every Minute Count

Once again this year we have been extremely blessed with an unusual number of volunteers who have given freely of their time to help the students at Clelian Heights School. We are so grateful for their loving kindness, understanding and infinite patience as they work one-on-one with our children in various academic areas. In order to express our sincere gratitude for their self-giving throughout the year, we had an appreciation luncheon for them on Thursday, May 20. We could not have accomplished all that we did this year without the help of our wonderful volunteers! THANK YOU one and all:

Mary Ann Tumilty, Anne Price, Mary Ann Kettering, Florence Moshini, Doris Johnson, Kirsten Quinto, Betty Abramovic, Theresa Jellison, Anna Marie Suman, Mark Suman, Louisa Maggio, Lisa Noca, Debbie Johnson, Debbie Graham, Sandy St. Denis, Grace Altman, Jim Dell, Jane Klugh, Reid Miller, Kristen Dott, April Stouffer, Amy Heckathorn, Ed Mikula, Karen Fligger, Jessica Mlakar, Amanda Mlaka, Natasha Catello.

ADDITIONAL VOLUNTEERS NEEDED

In the Fall we hope to expand our after school and evening volunteer program to provide all resident students a "special person" with whom they can model and share in activities that are particularly enjoyable to them. Presently the program is very small, but there are teens, adults, and families involved. We would like to be able to give more students this opportunity and make it available on a regular basis. If you or your family is interested and would like to know more about being an after school or evening buddy or special friend, call the school office (837-8120).

CLELIAN SINGERS

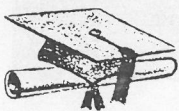

The Clelian Singers were on the road again. They sang at the special statewide Sports Mass celebrated by Bishop Bosco and held at Central Catholic High School on April 3rd. Over 500 teens and coaches were in attendance. On May 8th the Singers were invited to St. Bernadette Church in Monroeville. They sang at a special Anointing Mass, joined the group for lunch and then entertained after lunch. If you have a group that would enjoy some *joyful noise*, let us know!

CONGRATULATIONS GRADUATES!

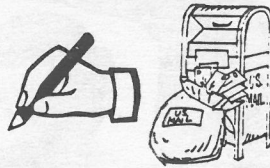

Four young men and women were honored as the 1993 graduates of Clelian Heights School on Sunday, May 30, at the 10:00 a.m. Liturgy in Chapel. Following the Liturgy and graduation ceremony, a reception for the graduates, their families and friends was held. This year's graduates are...

SCHOOL CHOICE AND TUITION

There has long been a movement in Pennsylvania to enact a School CHOICE bill (the GI Bill for Kids) that would give financial assistance to parents who send their children to any nonpublic school. The School Choice bills have been introduced in the House (House Bill 1655) and in the Senate (Senate Bill 1090). The financial assistance, called Educational Opportunity Grants, would pay for 90% of tuition up to a maximum of \$700.00 per child per year in elementary school and \$1,000 per student in high school. (The cost of educating a student in the public schools in Pennsylvania is currently around \$7,000 per student. Obviously school choice legislation, which will help preserve the right of parents to select a nonpublic school for their child's education, will help save the taxpayer in Pennsylvania in the long-run. CLEARLY it is better for the government to spend \$700 or \$1,000 per student rather than \$7,000 per student!)

The bill would also allow parents to choose any public school inside or outside their district, space permitting. Religious and other nonpublic schools would continue to operate free of government or state interference. They would be required to meet the state compulsory educational requirements, which they currently do.

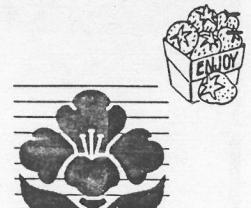

School CHOICE legislation came within a few votes of passing before. If you want School CHOICE legislation to pass, you need to: (1) Let legislators and candidates know that you want School CHOICE and the Educational Opportunity Grants; (2) Support the legislators and candidates who are for the bill with your vote and in other ways; (3) Enlist the help of other parents and concerned citizens. Educational justice/CHOICE will happen only if YOU make it happen.

It is long overdue that parents receive Education Opportunity Grants as a small measure of fairness in the use of their tax money for the benefit of their own children. For too long parents have been paying double to give their children a good and value-oriented education. Catholic schools alone save local and state taxpayers over a billion dollars a year.

Although there will be a price tag for school choice when the program begins, the lack of school choice is already costing the taxpayer significantly. When 3% of nonpublic school students transfer from nonpublic to public school, the cost to the taxpayer is approximately \$60 million. Such transfers have been occurring, largely brought about by economic pressures (it is impossible for many taxpayers to bear the double burden of both public school taxes and private school tuition). Hence, the lack of school choice is already costing the Pennsylvania taxpayers millions of dollars each year.

Although many approaches have been used in trying to bring about educational improvement, such as increased funding, changing certification requirements, changing curriculum requirements, adding staff, etc., significant improvement has not occurred - and, as a matter of fact, scores generally show that students in Pennsylvania and in this country are getting further behind students in other countries around the world. Obviously, this does not bode well for the future. School choice will help bring about educational improvement. It has worked where it has been tried.

GREENHOUSE PLANTS

If you need to beautify your yard this spring, the *Clelian Center Gardening From the Heart* flowers and plants may be just what you're looking for. Call Sr. Margaret Ann for an update on the plants and flowers that are still available at prices that are quite affordable.

**A CHILDREN'S THEATRE
PROGRAM SPONSORED FOR
CLELIAN HEIGHTS**

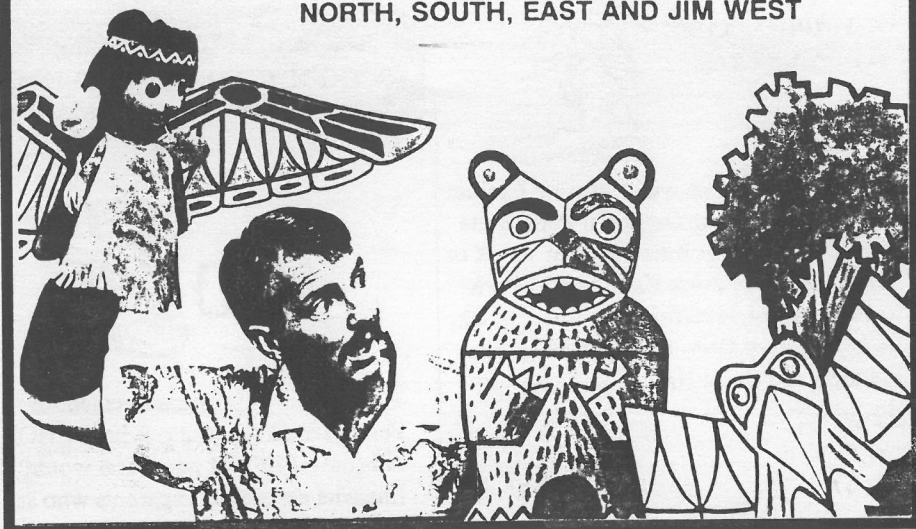

The program, *North, South, East and Jim West*, will be performed by Jim West, a master puppeteer, storyteller and actor of Theatreworks, U.S.A., New York. Mr. West, a native of Greensburg and a graduate of Greensburg Salem High School, makes *Anansi the Spider and Other Extraordinary Tales*, a wonderfully animated performance of stories from around the world that all children will enjoy. There will be two performances at the Greensburg Garden Club and Civic Center on Saturday, September 25th. As the date draws closer, it will be publicized in local newspapers and in schools making it available to as many preschoolers and local school children, ages 4-10, as possible. The artist's children's book *Why the Willow Weeps* will also be available for purchase.

END OF SCHOOL YEAR

Friday, June 4, is the last day of school for the students at Clelian Heights. We wish all of our students and parents a wonderful summer vacation. Many of our students will be returning for Summer Camp on June 28, and we are planning an exciting and enjoyable five-week program for them. Thanks to everyone for the support and cooperation you have given.

SPECIAL CONDOLENCES ◆ ◆ ◆

We offer our sympathy and support of prayers to Anne Dejick, our secretary, and to her husband Ray and daughter Romaine. Annie's cousin, Josephine Bialo, went to her eternal reward on Friday, May 28, after a lengthy illness. "Chee Chee", as everyone knew her, had resided with Annie since childhood and then became part of the Dejick household in Irwin. Annie asked that memorial offerings be sent to Clelian Heights and these have been arriving daily.

MEMORIALS

When a death occurs, many persons find deep satisfaction and personal gratification in making memorial contributions to a worthy cause. Your contribution will serve two purposes: it will help in the education of children with learning problems thereby promoting the welfare of the living; and it will also give tribute to the memory of a loved relative, friend, or business associate.

Families of those whose memories are so honored are notified of a contribution by a beautiful Memorial card.

Your gift can help to provide special education for children with mental retardation!

NOTICE: When sending in your memorial gift BE SURE to include street addresses whenever possible. It helps so much in taking proper care of your memorial gift if you take time to print both names and addresses.
