## APRIL 1995

### LENTEN THOUGHT

"...we appeal to you not to receive the grace of God in vain." 2 Cor. 6:1 Often at the end of Lent I feel as though I have missed many graced opportunities for spiritual growth. Usually I end up losing my focus during Lent because I get much too preoccupied with being busy and with doing things that I think are so important. But what could be more valuable than God's grace? I envision God's grace as being a generous, energizing movement of total Goodness. This stream of love is always available to each one of us. It is free and it is powerful. Grace can change our lives. All that we need to do is to be open to receiving it and to be attentive to Goodness in our daily lives. This Lent, let us pause each morning when we rise, stretch our arms wide and pray: *God of love, I open myself to your presence. May I be aware of your powerful Goodness, which is freely given to me at every moment of this day. May all I am and all that I do, bless others today with kindness and compassion.* Sr. Joyce Rupp, OSM

### Greensburg Salem Middle School and Seton Hill College Say Yes! to Clelian Heights

A very special group has been formed as a result of a three-year Learn and Serve America grant awarded to Greensburg Salem Middle School (GSMS). This group, called YES! -- "You're extra special" is a partnership with GSMS, Seton Hill College and the Adult residents at Clelian Heights. At present, there are 48 participants who meet in triads at Seton Hill from 3:00 to 4:30 each Thursday afternoon. Each triad is composed of a student from each school. Swimming, aerobics, gym activities and games are included on this year's schedule of activities. Special presentations by Dave Parker and the Steel Wheelers were also planned. The culminating event for this year will be a talent show in late April.

The YES! program focuses on personal health and wellness with the goal of assisting the Clelian Heights Adults as they improve in areas of self-esteem and communication skills as well as making wise decisions regarding leisure time. Inclusion in community involvement also satisfies goals for all program participants as defined in Pennsylvania's

Outcome Based Education.

The YES! Advisory Board which meets on a regular basis is very positive about this new program and is already looking forward to expanding the YES! program in 1995-96. The Board members are:

Clelian Heights - Sister Benjamin,  
Sister Linda, Alicia Harter  
GSMS - Dawn Germano, Kitty  
Hricenak, Judy Panebianco, Trudy Ivory  
Seton Hill - Helene Peharik, Monika  
Hawkins, Chevy Maxwell  
Student Members - Lauren Ciccarelli, Matt  
Ivory, Kerry Jobe, Brandi Miller

The Clelian Heights adults participating in the YES! program include Gregg Berg, Mary Pat Buraczewski, Valerie Catalano, Lauren Ciccarelli, Amy Colbert, Melanie Griffith, Lee Germano, Julie Holtz, Nick Kosor, George Nelson, Michael Policastro, Jennifer Roche, Clifford Trice, Eric Watters, Justin Woshner, Daniel Veltri.

### THE CLELIAN CENTER

Workers have been quite busy since we received two new jobs for the workshop. The first job from "Maids to Order" a house cleaning company owned and operated by Nick Kosor's mother involves washing, drying and folding cleaning rags every Monday. The second job is a bulk mailing job for the Central Westmoreland Chamber of Commerce (CWCC). Each month The Center mails out approximately 1100 CWCC Newsletters. This multi-step process includes collating and inserting several advertisement fliers, putting on address labels, and closing the Newsletter for mailing. Special "Thanks" to Charles Demangone, Sr. Dolorita, Sr. Angelica and Dewey Harter for helping the Clelian Center workers learn these new jobs.

**GREENHOUSE NEWS:** Our "Thanks" to each of you who ordered your Christmas poinsettias from our Greenhouse this year. An assortment of spring flowers, daffodils, hyacinths and tulips will be ready for Easter. A variety of bedding plants and vegetables - geraniums, impatiens, marigolds, tomatoes, etc. will be available after Easter.

**GIFT WRAPPING BOOTH:** Again this year our gift wrap booth at Westmoreland Mall was a success! This project was so successful because each of you generously shared your gifts of time and talents! Our net profit for this year's Gift Wrap booth was \$5,784.31! A special "Thank You" to Anne Price and Betty Abramovic for organizing this venture. After years of coordinating the gift wrap booth Anne Price is resigning her position. We are grateful to her (and her family!) for the many hours of work involved.

**"THANK YOU" TO** Ms. Doris Holtz, Kim Nunley's mom, and Ms. Teresa Lemmon, Chris Potoka's mom, for donating Easter Crafts for our gift case.

**SPECIAL OLYMPIC NEWS:**  
**CONGRATULATIONS TO OUR WINTER OLYMPIANS** who competed in the State Winter games at Hidden Valley Ski Lodge.

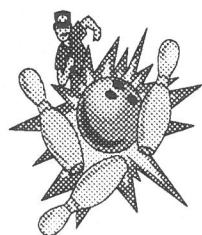

Ms. Lynda Guarino and Mrs. Carol Hay accompanied Michael Anthony, Tracy Balcerek, Shirley Bernacchi, and Mark Suman to the games. Their results were as follows:

<u>Speed Skating</u>	<u>100M</u>	<u>300M</u>	<u>500M</u>

Michael, Tracy, Shirley, and Mark were also scheduled to participate in the County games along with Bobby Capone, C.J. Fabry, Mike Kissell, John Kita, Mike Policastro, and Amy Silvis. Due to inclement weather (rain and then sun) these games were postponed and finally cancelled.

**THE REGIONAL BOWLING OLYMPICS** will be held on April 2 in North Hills. Good Luck to Jennifer Roche, Heather Price, Greg Boyle, Eric Watters and Michael Policastro who will be participating in these games.

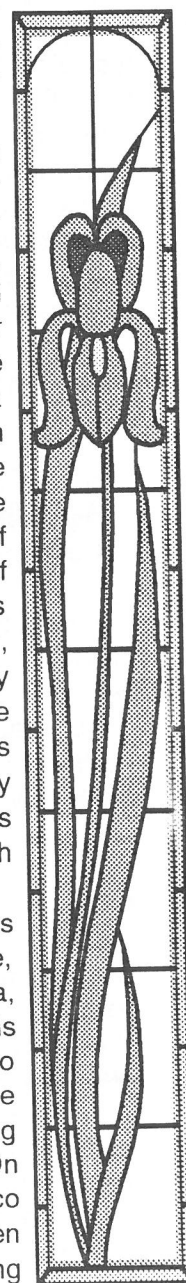

**PREPARING FOR THE SWIMMING OLYMPICS**

The Swimming Olympics will be April 8 from 11:00 a.m. to 4:00 p.m. at the Greensburg YMCA. Good luck to our athletes!

**SPECIAL VISITORS** For the past four months we have been honored to have with us Mother Rosalia, our former General Superior. Mother Rosalia is no stranger to Clelian Heights and in a sense can be considered a co-founder with Sr. Celine. In 1960 Mother Rosalia, then our Provincial Superior, foresaw a need in the area of special education and solicited the help of her brother to find a place in the Pittsburgh-Greensburg area for a school to meet this need. Thus, Clelian Heights came into being with the purchase of this property in 1961 - the hundredth anniversary of the birth of Mother Clelia Merloni, the foundress of our congregation. Mother Rosalia, as Provincial and General Superior, seemed to always find time in her busy schedule to visit Clelian. We are delighted that she was able to be with us since December helping out in a variety of ways. She will be missed by all of us but especially by the young women with whom she did the supertime dishes! From February 15-21 Clelian Heights was privileged to have Mother Adrienne, our Provincial, and Mother Auxiliadora, our General Superior, also visit us. This was Mother Auxiliadora's second visit to Clelian and she was pleased to see the new Apartments and the progress being made on the Therapeutic Center. On Friday, Feb. 17 Bishop Anthony Bosco celebrated Mass at Clelian. The children and adults sang their hearts out praising

God in the way they know best. The Bishop was very impressed with their enthusiasm, responses and spontaneity. We hope his visit to us will become an annual one.

Many of you remember Mother Clare, director of Clelian from 1980-1986. She along with another Councillor from Italy Mother Leopoldina paid us a brief visit last week. Hopefully, Mother Clare will be able to return for the dedication of the Therapeutic Center and spend a little more time with us.

**SOUP LABELS AND GIANT EAGLE RECEIPTS**

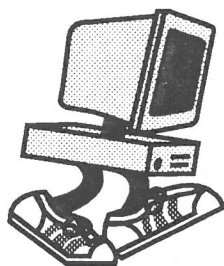

have been submitted for this year! With your help in saving the labels and receipts we were able to get many valuable teaching tools for the school - FREE!! With the 15,000 soup labels collected we ordered sports

equipment for our new gym. A very special "Thank You" to Mrs. Carol Hay and her Simulated Workshop class for cutting, sorting and packing the labels; to Mrs. Irene Simons for taking care of the Giant Eagle receipts; and to Sr. Charlene for coordinating these programs. Please continue to save and send in Campbell Soup Labels as this is an on-going campaign.

**COMPUTERS! COMPUTERS! COMPUTERS!**

Earlier this year a generous donation was given for the purpose of purchasing computers for Chip's House and the Clelian Center. After considerable research two Macintosh Performa 575 models were chosen as well as a significant number of programs and accessories. This state of the art equipment is being utilized by the young adults for educational and entertainment purposes. Once they experience working these new computers they can't wait to try again.

**WELCOME TO NURSE RITA WISEMAN** who

recently joined our staff as our nurse. Prior to coming to Clelian Heights, Rita had a variety of experience in local hospitals and in pediatrics. We welcome her and assure her that this new venture will be an enriching and rewarding one.

**OUR SINCERE "THANK YOU"** to each of you for your expressions of sympathy on the recent death of Sr. Natalie. Your prayerful support and understanding mean so very much to us. Enclosed with this Newsletter is a copy of the eulogy given by Sr. Benjamin at Sr. Natalie's memorial Mass.

## **Sr. Natalie Aiazzi**

Today, we Apostles have another Sister in heaven and, all of us have another friend there. I speak of Sr. Natalie as a friend to each of us because, when you think about it, wasn't it true that whatever your acquaintance with Sr. Natalie, she talked with you and listened as if you were a close friend? Sr. Natalie never got too caught up in her own thoughts to notice another's need. She was never too busy to pause and hold a conversation, to greet a child and inquire about how they were. She attended, not only her own inner needs, but was aware of the needs of others. That was a very special gift.

Sr. Natalie noticed and was sensitive to cues that said something about what was going on with us. Attending means being in touch, diakonos, in Greek, which is the technical term for ministry. I believe that the attention Sr. Natalie gave was true Christlike ministry. Her touch was attentive and it was also healing because it sprang from deep within her, from her nurturing heart, from her growing faith and trust in God's healing plan for everyone.

Sr. Natalie's was a heart that more and more made room for God's touch and attention. I know that she built some time into each day to be alone in quiet. It seemed that more and more she stole private moments of quiet, somehow sensing the need for inner listening, for reflection. It is not possible to expect anyone to listen to us all of the time. But, very often, that was asked of Sr. Natalie as each child sought attention for their small hurt that went beyond a physical need. That was really a need to be specially noticed, somehow specially privileged, and touched.

Sr. Natalie had developed that kind of inner quiet that this listening and nurturing touch demands. Every child was "sweetie" or "honey" when they came to Sr. Natalie. They were both aware of what the hurt needing special care was but, what really mattered, was the attention and love that would be received from her. This was Sr. Natalie's real worth to us. It went far beyond State Certification that attested to professional ability to assist in physical healing. It went deep to touch the emotional, psychic, and spiritual within and bring it to a renewed wellness. It touched, not just the children who were her aim of ministry, but it touched each of us and we will miss that.

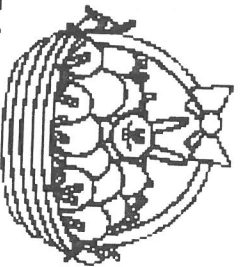

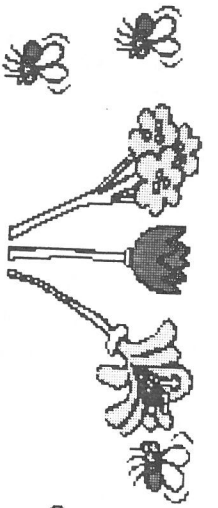

Day after day, year after year, Sr. Natalie dedicated her life to God and to service to His people. The feelings we have for her, the tears and sadness we experience witness to that. As many of you expressed: "She listened to me, not just my child. She was like a mother to me. She felt with me, even cried with me. She understood."

Sister Natalie always had time for us. What sustained her was her deep faith and life of prayer. Her desire had always been to live for God and be with Him. Now she is. Totally. This is her time to be listened to--now, she is the one being nurtured and loved and tenderly touched by the hand of God. Although we need to grieve for our loss, let us do it with peaceful, grateful hearts, knowing that our loss is, after 85 years, Sr. Natalie's gain. The Sister who crocheted the Angels is now in Heaven with them.

**EASTER - LESSON OF TRUST** Easter is a wonderful reminder that we cannot get out of our troubles and our tombs all by ourselves. Even Jesus did not overcome his great obstacles alone. Jesus did not just rise up from the tomb by his own efforts. "God raised this Jesus" to new life. It was the surrender of Jesus, heard so poignantly on the cross, that went with him into the tomb.

The Easter story assures us that we need God's guidance and strength and we need to let go of our own efforts to try to control life by ourselves. Let us place our hand in God's hand, and trust that God can raise us from our dead places just as Jesus was raised to new life.

**HOMEROOM 104:** Throughout this year, students from Homeroom 104 have enjoyed learning about their environment through various Science Units such as weather, the five senses, and the seasons. During the months of April and May they will raise their own butterflies from caterpillars. The students will observe this fabulous event using a "Butterfly Garden" where they can watch each step of the process. During class time, the children will learn many new and exciting things about such a common insect! Hopefully this experience will help to make learning fun!

**HOMEROOM 105:** Preparing a hot or cold lunch with assistance is one of the annual Home Economics goals for the students of Homeroom 105. Monthly luncheons have been held to accomplish our goal this semester. In January we feasted on lil' cornbread wraps, macaroni and cheese, veggie trav. and fruit.

Monthly luncheons have been held to accomplish our goal this semester. In January we feasted on lil' cornbread wraps, macaroni and cheese, a veggie tray, and fruity pizza. February featured a "lovely" lunch of meatloaf heart rings, vegetables, and heart cookies for Valentine's Day. In March we held a Lenten salad bar with a variety of homemade breads on the side. May's menu has yet to be determined, but will probably include some picnic fare.

The students in 105 have worked hard together, learning lessons in cooperation as well as in meal planning, food preparation, and attractive presentation. They have also enjoyed some great socialization experiences.

**SHARED PRAYER EXPERIENCE:** On April 6, 1995 Eleanor Palmer and Sr. Charlene accompanied a group of students to Seton Hill's Family of God Prayer Group. It was an evening of prayer and reflection focusing on the last week of Jesus' life. Our students enacted a beautiful rendition of the Living Stations of the Cross.

A thank you note to all who participated was received and the following sentiments were expressed, "I just want to let you know how much I enjoyed the Living Stations that you acted out. I was so touched by your reverence. On Palm Sunday and again on Good Friday when the Passion of our Lord was read, I was able to visualize your journey along with Jesus as He walked His way to His cross....Thanks again for sharing yourselves so unselfishly with the Family of God."

Our thanks to all who represented Clelian Heights at this prayerful gathering:

**RESIDENTIAL ACTIVITIES:** The girls living in the main building have had some fun times with Mary Safron as they decorated their living areas as the seasons changed. They also enjoyed doing arts and projects such as making shamrock mobiles, puppets from old socks, and phantom masks.

Each Tuesday morning Andrea Burnett, Leigh Ann Edwards, Heather Cline, Donis Milan, and Lisa Molter accompanied by Sr. Linda deliver the rags, cleaned in the workshop, to Maids to Order. These young ladies load the van at the Clelian Center and unload at their destination. They look forward to this outing each week.

The girls and boys are always striving to become more independent by learning to make their beds, prepare their bundles for showers, clean up after play time, and to improve their personal hygiene skills. Verbal and nonverbal communication skills are also in a constant state of development as everyone learns to live together peacefully.

Each week the boys find their way to the Computer Room to practice reading and math skills in a fun way. Debbie and April have also been taking groups of boys to Olympic Lanes for bowling. Matching shirts were donated so that the boys look like a team when they show up to bowl. A different group goes each week and a good time is had by all!
