

This edition of the Clelian Heights Newsletter will focus on "LOVE". February, the month of Valentine's Day, a day that celebrates the power of love as a transformative force in our lives. The vision of Clelian Heights clearly exemplifies this... "to provide an atmosphere of choice and mutual acceptance, respect, and love that will make a lasting difference in the lives of persons with developmental disabilities." Mother Clelia, the foundress of The Apostles of the Sacred Heart of Jesus, lived her life by loving, serving others and sacrificing herself as Jesus did, she acted totally in service to a heart bigger than her own: the Sacred Heart of Jesus. Clelian Heights, a ministry of the Apostles of the Sacred Heart of Jesus... is all about LOVE. Enjoy the happenings of Clelian Heights, your heart will feel a little fuller.

Clelian Center Makes Special Delivery To
UPMC Hillman Cancer Center

The Clelian Center collaborated with Team Friends, Caring and Sharing to make care bags that were then delivered to The Hillman Cancer Center at Mountain View. Team Friends is an organization that facilitates social activities for adults (18+) with IDD or Autism in Westmoreland and Allegheny County. As part of their social activities, Team Friends identifies a service project to focus. Their service project for their Christmas Party was to collect donations for Hillman Cancer Center. Many of our adults in the Clelian Center attend these fun social events. Donations were then brought to the Clelian Center, for care bag assembly. Katie, Matt and Twaun, from

the Clelian Center made the delivery. Great teamwork between the Clelian Center and Team Friends!
