

SWING DEDICATION

A special swing dedication, in honor of Michael Budd, took place on Wednesday, September 24th, 2025, his birthday. The swing was built and designed to promote full accessibility for the individuals that attend and work at The Clelian Center and ATF. With larger and wider seats and even a chair seat, the swing set will accommodate more individuals that enjoy this fun activity. The area is wheelchair accessible. Michael had a deep love for swinging on the Clelian playground, with a smile that exuded his joy! This wonderful project was made possible by Clare and Jim Budd, loving donations and the Clelian Heights Maintenance Staff .
