

Celebrating 65 Wonderful Years!

For 65 years, Clelian Heights has been dedicated to providing exceptional educational, vocational, and therapeutic programs. Our upcoming fundraising banquet aims to raise proceeds for the development of an all-inclusive recreation area. This wonderful project will continue our mission of providing our students and adult clients with intellectual disabilities the best opportunities to promote independence, social skills, and just have a little fun!

HISTORY OF CLELIAN HEIGHTS

Making Memories... Play - Explore - Thrive

Our recreation/playground area will be designed to promote physical activity, socialization, and overall well-being. The space will be equipped with adaptive equipment, that will be inclusive for both our students and the adults from the Clelian Center. By supporting our all inclusive recreation area, you can help create this exciting, safe and therapeutic space.
