**CREATING SPACES WHERE ABILITIES SHINE & FRIENDSHIPS GROW**

On May 20, 2026, we reached our 65th Anniversary Event Matching Challenge Goal, raising \$153,320. Thanks to our generous matching donor, that total doubled to \$303,320—a tremendous milestone in our journey toward a new inclusive recreation and playground area. Since then, support has continued to grow. To date, we have raised \$438,436 toward this transformational project. As we celebrate 65 years of *service, love, and community*, we hope to leave a lasting legacy for those at the heart of our mission. This new playground and recreation area will be a

gift to our students and adult clients—a place where abilities shine, friendships grow, and everyone has the opportunity to belong.

While we are incredibly grateful for the generosity of our supporters and proud of the progress we have made, much work remains. We are currently engaged in a *Playground Renovation Capital Campaign* to raise the estimated \$1,650,000 needed to bring this vision to life.

This investment includes far more than playground and recreation equipment. The project also requires extensive site preparation, proper grading and drainage, adaptive safety surfacing, accessibility features, and the infrastructure necessary to create a safe, inclusive, and welcoming environment for our students and adult clients.

Every dollar raised brings us one step closer to making this vision a reality.
